# Specializing in Gated and Controlled-Access Properties

*BSGS Makes Your Duties Easier, Safer and More Secure*

**Community Patrols ■ Electronic Real-time Reporting ■ Alarm Response  
Card Access Programs ■ Visitor Management**

## RESIDENTIAL

- Gatehouse access control for gated communities with uniformed guards
- On-site security and patrol services for construction sites, retail centers, HOAs and commercial developments
- Visitor Management Solutions
- Parking Compliance Patrols—using vehicles or golf carts
- Pool Watch Services
- Fire Watch Services

## TRAINED AND READY

BSGS is committed to a high level of customer service. All BSGS guards receive state training, site-specific training, specialty instruction at the start of employment and ongoing. Bolt Security Guards are trained and certified for specific properties and work environments, including armed and unarmed guards.

## SUPERVISED SECURITY

Using cutting-edge technology and hands-on supervision, we closely monitor all guards and their work sites.

- Computerized logging requirements monitor guard activity utilizing GPS, aggressive driving alerts, and video monitoring.
- Guard Tracking System offers real-time electronic supervision and reporting with patrol software.
- Unannounced site inspections add discipline and routine, assuring that all sites are closely secured and monitored with video.
- Patrol supervisor and support on duty 24/7.
